

Y3 4 Key Knowledge for this unit - Ancient Civilisations

I know that civilisations need water, farming, cities, writing and rules to be successful.

I know the earliest civilisations- Ancient Sumer, Indus Valley, Ancient Egypt and Shang Dynasty.

I know some civilisations ended because of the weather where crops died (there was not enough food and rivers dried up).

I know Egypt and the Shang dynasty came to an end / changed because of battle or invasion.
